Tottenham Triumph!

Juande Ramos raises the Carling cup after Tottenham's victory over Chelsea in the Carling cup final.

Yesterday Tottenham Hotspur beat Chelsea 2-1 in the Carling cup final at Wembley.

In the match, Chelsea took the lead in the first half but in the second half, Tottenham were awarded a penalty and they scored. The game went into extra time

and in the third minute of extra time Jonathan Woodgate knocked the ball into the net. Chelsea made continuous attacks but they couldn't score. The final whistle blew and Tottenham celebrated their win. Almost all the Chelsea fans left before the medals were given out. When the Chelsea players received their runner up medals, hardly any fans were there to cheer for them.

After the game, Tottenham manager Juande Ramos said: "The team has been improving little by little in terms of security and confidence they feel. This will have reaffirmed that."
