

Question:

Will the headteacher sign my or my children's passport ?

Is there a cost ?

Answer:

Yes of course. Please allow at least 24 hours.

I aim to do them the same day but this is not always possible.

I will have to have known you or you children for at least 3 years.

I can also sign Irish passports as I have two passports myself.

Doctors charge around £40 per passport or letter.

I merely ask for a donation to one of our school charities.

Please give this to the office directly.

I never take a penny for myself ever.
