

Lunches from September 21st – 2020.

Dear parents:

As part of my drive is to get things back to some sort of normality as soon as possible I am now pleased to be able to say that from Monday 21st September children can now bring a packed lunch from home while following the guidance written below.

1. Please be aware we have many children with some severe food allergies and intolerances. We ask that you consider this when making your child's packed lunch, particularly concerning nut allergies. We are already a nut free kitchen.
2. Hot school lunches will still be available free (Universal Free School Meals Scheme) for all children and pupils in Reception, Year 1 and Year 2 classes. All pupils in other classes who are eligible for Free School Meals carry on as normal and you do not need to change anything.

Yours,
Sean Flood (Headteacher)
