

Dear parents: As I was driving from the other side of London to be back in time for our Carol Concert on Wednesday I had the radio on listening to Boris announce Plan B restrictions does anyone understand them? With relief I realised we could go ahead with our service in the church. As I said at the start 'We made it,!!but it was a close run thing'. Very emotional, very moving and very joyful for so many parents at Christmas time. I found myself welling up at times as it is my last one and this carol service has been a highlight since I started here. This one was very special. Thanks to all who helped make it possible and who attended.

We are going ahead with Tuesday as well but please with the following provisos. Limit two people per family. Face masks must be worn. No filming during the performances but can take as many pictures of your child afterwards. Anyone filming or waving a phone may be asked to leave. Just watch it and enjoy it please as they both will be quite magical moments. 10.00am Reception and 2.15pm Year 1 and 2 Nativity with a full stable scene, angels, sheep and stars. More details Monday. Busy few days left
