

Spelling test on Friday 5th March

This week we are focusing on the **Phase 5** sounds 'ue' and 'aw' as in 'straw'.

The 'ue' digraph makes 2 slightly different sounds (/oo/ and /yoo/).

In some words it makes an /oo/ sound. For example 'blue' (sounds like /b-l-oo/)

In other words it makes a /yoo/ sound. For example 'argue' (sounds like /ar-g-yoo/)

Please help your child to write the words in the columns marked copy. This sheet is for you to keep at home, you do not need to bring it into school to be marked.

Try your best, that is all that matters!
