

Dear parents: Very well done to Mrs Fiona Marsh and all of year 6. It is one of my least favourite weeks of the year as the pressure is intense for pupils and staff alike. However once again the children have done their families proud and tried their very best. Also the school has kept up its remarkable record of 100% attendance from year 6 pupils for the last 24 years. Not one absence ever. So if the weather brightens up its barbecue time this afternoon and Science Dome in the morning. Year 6 can now truly enjoy the next few months in school. Dressing up day today for NHS Brain Research Appeal and Science Dome Day so busy anyway I'm off to write my wish list for the election manifestoes Dear Santas for Christmas I would like you to promise (add your own words here)
