Dear parents / carers: May 1st today and one of the joys of coming in every day is hearing the bird song everywhere. We have designed the grounds for wildlife and it is thriving.

Pics of the day ... our grounds this morning. St Joseph the Worker keeping an eye on us under the wisteria, our beautiful May or Glastonbury Tree in the middle. Great legend about this red hawthorn tree and Joseph of Aramitheia. Below Yakob's rose watched over by Mary in memoriam of a young Eritrean pupil who died in 2011 flowering away. OLSJ May 1st 2020.....
