

Acceptable Use of ICT Policy

Date	Review Date	Coordinator	Nominated Governor

We believe this policy relates to the following legislation:

- Computer Misuse Act 1990
- Misuse of Information Act 1990
- Health and Safety (Display Screen Equipment) Regulations 1992
- Data Protection Act 1998
- Human Rights Act 1998
- Freedom of Information Act 2000
- Equality Act 2010
- Counter Terrorism and Security Act 2015

The following documentation is also related to this policy:

- Data Protection and Security: A Summary for Schools (Becta 2004)
- The Safe Use of New Technologies (Ofsted)
- Prevent Strategy (HM Gov)
- Teaching approaches that help build resilience to extremism among people (DfE)
- Working Together to Safeguard Children: A Guide to Inter-agency Working to Safeguard and Promote the Welfare of Children

We believe information and communications technology includes all forms of computing, the internet, telecommunications, digital media and mobile phones. School personnel have clear responsibilities with regard to the use of all ICT equipment and ICT facilities.

Any member of the school personnel that uses illegal software or access inappropriate websites when in school faces dismissal. All school personnel will be made aware of all legislation relating to computer misuse, data protection and copyright.

Our Lady and St Joseph School

We expect all school personnel to sign and date the 'Acceptable Use of ICT Agreement' and be fully aware of and implement the internet safety policy. All school personnel have the duty to report any misuse of the ICT equipment or the ICT facilities of this school.

We have a duty to ensure the internet safety of all pupils within this school.

We have a duty to safeguard children, young people and families from violent extremism. We are aware that there are extremists groups within our country who wish to radicalise vulnerable children and to involve them in terrorism or in activity in support of terrorism. Periodic risk assessments are undertaken to assess the risk of pupils being drawn into terrorism. School personnel must be aware of the increased risk of online radicalisation, and alert to changes in pupil's behaviour. Any concerns will be reported to the Designated Safeguarding Lead.

We are aware that under the 'Counter-Terrorism and Security Act 2015' we have the duty to have 'due regard to the need to prevent people from being drawn into terrorism'. This duty is known as the Prevent duty and we believe it is essential that school personnel are able to identify those who may be vulnerable to radicalisation or being influenced by extremist views, and then to know what to do when they are identified.

We provide a safe environment where we promote pupils' welfare. Within this environment we work hard to build pupils' resilience to radicalisation and extremism by promoting fundamental British values and for everyone to understand the risks associated with terrorism. We want pupils to develop their knowledge and skills in order to challenge extremist views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
