

Display Policy

Date:	December 2014	Review Date:	December 2015
--------------	---------------	---------------------	---------------

We believe that display plays a very important role in celebrating the achievements of all children and enhances the learning environment by stimulating children's thinking and extending their knowledge.

We consider display contributes to the ethos of the school as it conveys to everyone that we are working and learning in an environment that is caring, stimulating and interesting.

We believe the work of every child matters and every opportunity must be found to display their achievements.

Aims

- To create a visually stimulating learning and working environment for all pupils, school personnel and visitors.
- To give purpose and value to children's work by celebrating their achievements.

Procedure
