

Dear parents: Bank Holiday weekend coming up and its supposed to be lovely weather so reasons to be cheerful. It's also the month of May and so the month of Mary. The highlight of the week for me was Year 4s rendition of Ave Maria during their assembly. One of those awe and wonder moments. Ms Cahill and her class also told us about the origins and customs of May Day in the UK and around the world. I did refrain from telling the worst ever Tommy Cooper joke as well?

"You ever seen Morris dancing?" punchline is below. Best wishes to all those making their First Holy Communion this weekend and the sun will be shining hopefully. So enjoy the long weekend.
