Newsletter 1138

Dear parents: Definite signs of the changing seasons today with a hurricane Ciara on the way at the weekend. Flowers popping up early and glorious frosty but clear blue skies. This has been Children's Mental Health and Wellbeing Week. Today we celebrated it with our loungewear day and a series of assemblies activities and meditations, sports and yoga. Congrats to the new School Council and we hope they serve the school well. There will be an extra Newsletter next week as there has been so much happening. I can only fit so many photos this week.
