Dear Year 6 Parents,

All of Year 6 pupils and staff are now self-isolating for the next 14 days and you should have all received and read a letter available on our website under Parents Info.

Ms Harries is also self-isolating. English, maths and other Year 6 work and tasks will be uploaded regularly on the class website under Home Learning – Year 6. Ms Harries will be organising daily Zoom calls for all pupils around 9.30am to explain the tasks and work provided. She will also be giving guidance and feedback to help pupils in their learning. We will endeavor to ensure that the break from school is a stress free as possible.

Please make sure you also read the letter provided on Covid-19 to all Year 6 parents. We do ask for your understanding in these difficult times as we too have to deal with situations and circumstances that change daily and rapidly in school.

Yours sincerely,

**Sean Flood**  
**(Headteacher)**
