

**Dear parents: ....** An amazing Advent Concert last night that featured the very best of our school community. Some awe inspiring moments and a joy to the world. The children brought light into our lives with their finale. I felt very proud of the school last night. I would like to thank my staff who turned up to support last night in such large numbers. I am blessed in being able to visit and inspect schools all over London and believe me we have a wonderful staff. This week was the busiest week of the year for me with commitments and next week is the busiest for the school with nativity plays, music and costumes. All welcome to come along as we get into the spirit of Christmas. Special thanks to Ms Lauren Dyer this week for her music and choreography.
