2.00					
2.15					
2.30	Afternoon Break				
2.45	Whole Class Google Meets Story Time				
3.00	Home Time				

Please note; group Google Meets sessions are standalone sessions and will not necessarily follow the subject that timetabled during their slot. For example, on Monday at 9.30am, Group 1 will take part in a Google Meets session – the subject of this live session will not necessarily be Phonics. All groups will receive the same lesson, regardless of the time it's scheduled. I teach the same lesson 4 times as there are 4 groups.
