# The Three Little Pigs

Once upon a time, there lived three little pigs.

One day, they decided to leave home and build houses of their own.

The first little pig thought that straw would make a good house.

He built the house very quickly and he was very pleased with it.

The second little pig thought that sticks would make a fine house.

He built the house very quickly and he was very pleased with it.

The third little pig thought that bricks would make a strong house.

It took him a long time to build the house but he was very pleased with it.

One day, a big bad wolf came along.

He saw the first little pig in his house of straw.

“Little pig, little pig, let me come in,” he snarled.  
“Not by the hair on my chinny, chin, chin!” cried the first little pig.

“Then I’ll huff and I’ll puff and I’ll blow your house down!” growled the big bad wolf.

So he huffed and he puffed and he blew the house down!

The first little pig escaped and ran to join his brother in the house made of sticks.

The big bad wolf followed the little pig to the house made of sticks.

“Little pig, little pig, let me come in,” he snarled.  
“Not by the hair on my chinny, chin, chin!” cried the second little pig.

“Then I’ll huff and I’ll puff and I’ll blow your house down!” growled the big bad wolf.

So he huffed and he puffed and he blew the house down!

The two little pigs escaped and ran to join their brother in the house made of bricks.

The big bad wolf followed the pigs to the house made of bricks.

“Little pig, little pig, let me come in,” he snarled.  
“Not by the hair on my chinny, chin, chin!” cried the third little pig.

“Then I’ll huff and I’ll puff and I’ll blow your house down!” growled the big bad wolf.

He huffed and he puffed, but the house was too strong. He could not blow it down!

This made the big bad wolf very angry.  
He climbed onto the roof of the house so he could crawl down the chimney.

The big bad wolf was in for a big surprise!

The third little pig had been cooking a big pot of stew and SPLASH! The wolf fell right into the pot!

The wolf was very shocked. He jumped out of the pot and ran straight out of the house. He never came back again.

The little pigs lived happily ever after in the house made of bricks.

The background of the slide features a vibrant, cartoonish landscape. In the foreground, three anthropomorphic pigs are running from left to right across a green field. The pig on the left is wearing a yellow straw hat, a blue shirt, and brown overalls. The pig in the middle is wearing an orange and black plaid shirt and blue jeans. The pig on the right is wearing a red beret, a white shirt, and blue overalls. All three pigs have pink skin, blue eyes, and rosy cheeks, and they are all smiling and running happily. The ground they are running on is a light brown path. In the background, there are green bushes and several grey mountains with white snow-capped peaks under a bright blue sky with a few white clouds. A large white rectangular box with the text "The end!" is centered over the middle pig.

The end!
