

# **Personal, Social, Health and Economic Education (PSHE), Spiritual, Moral, Social and Cultural Development (SMSC) and British Values (BV) Curriculum Map**

PSHE is taught in a discreet manner where appropriate and in a cross curricular manner where meaningful links can be made. As of September 2020 Health and Relationship education is compulsory and this is reflected in our teaching and learning. Our curriculum ensures we equip pupils with a sound understanding of risk and with the knowledge and skills necessary to make safe and informed decisions whilst being active and reflective citizens in our ever-changing world.
