

Dear parents: Christmas fast approaching and two packed events already this week. Early Years had their delightful Nativity Play on Tuesday, our 4 and 5 year olds. Tuesday also saw the PA Christmas Fair that was also really well attended and supported and raised £1,020 profit for the Parents Association. Very well done to them on a highly successful event. This afternoon sees our Key Stage 1 very lively yet traditional Nativity play. Next week is also busy as you can see below. We have also provided some Home Learning for every child in Spanish. Help your children learn these words. School looks more amazing every year at this time. Pity all the decorations have to come down next week. A Christmas picture special Monday.

School news this week !!!....

Website news

So much new content as Ms Woodhouse and I continually update this. Christmas plays, Fairs, decorations Christingle making in Year 4, minutes of meetings and my own personal favourite School Gardens, trees and flowers. A remarkable series taken over 12 months of the changes in our beautiful grounds.

Have a look around and check all our links too.

pics of the week ... our new Santa visitor, Y4 making Christingles. staff on the sweet stall and scenes from the Fair and a sure sign of Winter our red berries this Christmas week.

and finally .. I train school inspectors these days. When they are new almost all start pointing out weaknesses and faults in a school. I always pass on an old Chief Inspectors tip. For every fault now record and look for seven good and positive things. Well done to all staff who work in this school, those who help and volunteer and make it the special community it is. Merry Christmas and Feliz Navidad to everyone.
