Development .. teach your children that please and money we have raised the last 2 years .. this year for relief in Dominica after the hurricane. Money raised during tonights Fireworks will go towards this appeal with our parish church + the lonely pumpkin competition !! Sad bring some along tonight to cheer him up !!

and finally .. 20 years of Fireworks Nights come along and have a great nightnot all bad news as Donald Trump's Twitter feed went down for 11 minutes last night ... I often remind people about my great powers of prediction when I told staff years ago "that Twitter will never catch on 140 characters what's that about?" ... see I was right !!! ...anyway West Ham home to Liverpool and should lose about 6-1 and go into bottom 3 hope I'm as accurate as my Twitter prediction ... see you tonight !!!
