**Pics of the week ...** Graduation pics and mini sports days etc .... we did things differently but .... we did them.

**and finally .....** I have been in every day except one since March 23rd so I am looking forward to a break. Every day has been different and brought changes, new challenges and stress that only another headteacher could understand. I am going to have a rest and listen to Joe Rogan podcasts, watch PBS Ken Burns American Civil War epic 14 hours plus, read all my books, do lots of Tai Chi, Muay Thai kick boxing, listen to music, go for long walks, cook fish and sleep. Thank you for all those who sent presents and kind words much very much appreciated. Be happy !!
