

Dear parents: Myself and Mrs O'Hagan are in supervising the deep cleaning of the school. All being well we hope to re-open tomorrow. I am not sure for how long but will of course keep you informed. Meanwhile please follow all government advice and if in any doubt keep your children off as many of you have already in the past few weeks. Let us know what the situation. Also please do not speculate or pass on rumours about who may or not be affected, whether staff or pupils, it is not helpful. If you choose to keep your children away please do not worry I fully understand. Thoughts, best wishes and prayers to you all in these troubled times.

Pics of the day ...St Patricks Day 2020 and a deep clean underway + dedicated kitchen staff.

Deep cleaning been underway since 8.00am this morning all areas of the school, the nursery and kitchens are being cleaned with various materials to ensure hygiene and health. 3 teams coming in all day. Please keep an eye out for updates as the day progresses and we will also text you when we have further news.
