OLI: to create a story map for 'The Three Little Pigs'.

Please see the PowerPoint for example story maps. Feel free to use bigger paper. You will use this story map to help you retell the story after the Half Term Holiday, so keep hold of it! You could also make puppets out of the templates provided to act out and retell the story based on your story map!

Steps to Success:
- I can draw simple pictures to represent parts of the story.
- I can put the pictures in the correct order.
- I can add key words / sayings.
- I can add time words (first, next, then, after that, finally etc.)
