

Why do we make the sign of the cross?

We make the sign of the cross to remember Jesus and how God sent his only son to take away our sins and he died on the cross. The action of making the sign of the cross is when we touch our ^{head} heart, Jesus is in my mind and helps me be a good girl. When I touch my heart I know Jesus is in my heart and helps me through the right path. When I touch each of my shoulders, God gives me the power of strength and makes me not to fight and always say sorry. The sign of the cross tells me that the mass is beginning. When we come into church it is when we are coming into our home and God's home and we

pray as one big family and we are all part of God's family.

When we come into church we ~~did~~ dip our right in the holy water and make the sign of the cross and

it reminds us of baptism because
when we were very young the
priest made the sign the cross
on our forehead and when we put
our right hand it reminds us
of baptism as our start of our
parish journey.
