

Dear parents: Welcome back to everyone.... all back safe and well after the Summer holidays. We recruited two great new teachers this year and welcome Jade Cahill and Rosanna Harries in Years 4 and 6. Good to see so many looking well on the first day and no major dramas over the 6 weeks. Lots of building works completed or nearing completion, boilers, fencing, new CCTV, door entry systems and fencing. Nearly all done. Lighting and electric to be done this half-term. Really busy first few days as you can imagine. Term dates and parents information all on the website and all up to date and complete for 2017 - 2018 and for Autumn Term thus far. Read on, join in and do help to make the school once again an outstanding place this year. Thanks for your good wishes and anyone know where I can get Zavkas or a nice Zurek ?? Never heard of it ?? All started in our Reception Class this week many happy years to them in our school.

and finally .. I spent a week in Poland and adored the place found my new favourite state in the world the Little Insurgent outside the Old Town in Warsaw. a beautiful monument to the child soldiers who fought the Nazis in 1944 in the Uprising ..also pictured is the death cell of the remarkable Polish priest Maximillian Kolbe starved to death in Auschwitz and now a Saint. I visited his cell and the death walk and the ramp at Birkenau ... also went to Krakow. Brave people and incredible history which Poles are so eager to share. Makes me even more sad about Brexit and the toxicity in the air. Lovely friendly country Poland. Anyway Zurek is my new favourite soup ate it every day and Zavkas its base its wonderful. Not talking about West Ham yet be happy in September.
