

RE:

Yesterday, Thursday 21st May, was Ascension Day. Ascension Day is the special day when Jesus rose into the sky to be with his Father.

I have uploaded a helpful PowerPoint to remind you of the important events of Ascension Day. Also, here are two helpful links on the story of the Ascension.

Activity 1:

OLI: To write a diary entry as one of the apostles who witnessed the Ascension.

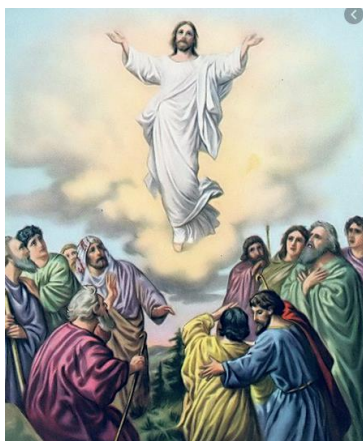

In your writing:

- What was the day like?
 - Who did you meet?
 - Did anything interesting happen?
 - What was it like seeing Jesus rise into the air?
 - How did you feel after he left you?
- Be descriptive!
