

Dear parents: My highlight of the week involved Cups?? I was talking to some Y6 pupils about their gifts and talents. We all have gifts to be grateful for. My greatest gift in life is sleep. I can sleep standing up through snow, wind and rain and a glass of red wine on a plane goodnight. I also have an amazing sense of direction and my own in built Sat Nav. I can also read a recipe once and 99% of the time recall all the ingredients and instructions. Would have been nice to be gifted at making money, music or sports but I thank God for my own ones. So a million thanks to the family who sent in a set of American measuring cups on Monday after I mentioned it in last weeks Newsletter. Somebody reads it !! Been a real asset and so easy. In thanks I will share my link to Spanakopita below. I made it last Sunday and fed 3 for two days. Moreish and healthy, cheap and vegetarian too. Kids and teenagers equally love it and this is a great link. Epharisto.

School news this week !!!....

Monday Head Boy and girl assembly. "This little light of mine song". + very lively.

Parent Conference Week well attended.

Tuesday 9.15am Simone Bowen talked to parents about Secondary Transfer and she commented the turn out and challenging questions.

Wednesday ... Year 6 assembly . Mrs Harries first assembly on Inspirational People, Martin Luther King and Sister Theresa. Really impressive oratory from the pupils and a great song at the end. Our RE Adviser was highly impressed.
