

First, decorate the paper plate. Make it as colourful as you can, maybe include some symbols such as flames or doves, you might also want to include words. Remember Jesus' disciples were filled with life, joy, peace and happiness when the Holy Spirit arrived. Next, cut the plate into a spiral shape and attach a string so that you can hang your wind catcher. Finally, hang your wind catcher somewhere and as you watch it spinning in the wind, remember that Jesus kept his promise to send the Holy Spirit.
