

Dear parents: Who said: "If I lose six seats I will have lost the election". ...answer at the bottom. Wonderful Greek word Hubris, which leads to Nemesis in Greek mythology. Anyway been an eventful few days that has seen the best and worst of humanity. London Bridge, Ariana Grande and a fascinating election result. In school we have focussed a lot on security and responses to critical incidents. I have just secured a major grant that will greatly enhance security in the months ahead. I have also reviewed all trips and outings and have changed some. On Monday I did an assembly for the whole school and spoke about the evil in the world and the dangerous religious fanatics that do not want them to have fun, to dance and to learn. The best response I said was to carry on having fun, dancing and learning and never give in. We are all proud Londoners in this school. I then played Ariana Grande singing with the school choir and loads of stars "One Last Time" ...very emotional but inspiring. We then said a prayer for a friend of mine's 17 year old niece who had her leg blown off in Manchester. The hurt goes on for all those who lost loved ones or who were badly injured. We will quickly move on and enjoy life as normaluntil the next time ! RIPall so very sad
