

Dear parents / carers: Year 6 started to return on Monday and soon will all be back for the send off they deserve before they start secondary school. Great to see. Temperatures higher than 32 degrees in London, I love the heat, and lockdown slowly ending. Rules and guidance changing daily and hourly just now. As a headteacher I get daily updates from the Department of Education, Hackney Learning Trust and also Westminster Diocese, Public Health England and lots more. My very latest understanding is that 'social distancing' is now 1 metre + whatever + means and yes I have read all the guidance. In the Summer I believe all social distancing will be removed so I am planning for a full return starting September 3rd. Details and current dates below. Nice Webinar with Year 5 pupils this week enjoyed it. More to follow.

Also if you see our Premises Manager skipping and dancing along the road and outside the school it is because 30 years of hurt ended last night and genuinely delighted for him, the fantastic city of Liverpool and Jurgen Klopp.

Books and PE kits of 2020 ... All books have been collected now or in the recycling. Next week several classes have PE kits to collect.

Dates until July 17th 2020 ... provisional

July 1st teachers are told classes for next year

Pics of the week ... new trees planted and new birds painted and planting seeds in the sunshine.

BLM resource
...posted on our website to help you talk to your children about inequality, racism and social justice. Really good resource.

and finally I have turned off every game so far through boredom looks like 2020 will conclude with West Ham looking forward to trips to Blackburn, Huddersfield and Wigan next year oh well count your blessings and bask in the sunshine if you can. Be happy !!!
