

Dear parents: Weather set fair for next few days and almost impossible to get a tennis court post Radacanu last Saturday. What a wonderful role model she is and a rocket of a forehand too. Updates from PHE show low infection rates in the area and not much of a school effect. We changed our collection times and Years 3 to 6 are now all going out at 3.30pm and dispersal is quick. Year 6 assembly next Thursday and parents invited to attend as we start to resume normal service. Website updated lots this week under Safeguarding all the latest documents and procedures as to how we operate. Term dates all also now on and waiting for Ms Dyer and Christmas dates next week to plan ahead.

REMINDER — — Coffee morning. ALL PARENTS Reception and Year 1 welcome. Monday September 20th in the school hall:

Greta and Marianna who raised lots of money for our new library opening soon see below and Ms Helen and Reception Year in our gardening club and growing areas ... foxes didn't get everything over Summer.

and finally wow Emma Radacanu last week I wrote how her serve needs working on and then she wins the US Open with a 90mph wide out to the backhandwhat do I know !!..... I said she was the real deal and knew she would win when I saw all the macho screaming, roaring and fist bumping of Leyla Fernandez's coaches and box. In April she lost to another British girl in the Nottingham Open and barely scraped into Wimbledon. For those who don't follow tennis this is like Romford, Herne Bay or Margate winning the European Cup it is that unheard of. saw a 10 year old in Clissold Park last Sunday who could be the next Radacanu great to see the future and Djokovic lost so great weekend. new Education Secretary son of Iraqi immigrants who ran the vaccine programme so should be passionate about education and succeeding in life read tons of books over Summer one of the last ones was SOOLEYMAN by the wonderful John Grisham with an ending that is recommended nights getting darker so quickly ...first assembly of the year next week with parents in attendance new KS2 collection worked very smooth more opening up every week now ... all dates on website ... West Ham Europa League triumph last night in Croatia and Ronaldo and co. next easy game enjoy the De Beauvoir Trail Sunday and be happy.
