

Dear parents: Wanted to simply thank everyone for the amazing generosity of spirit shown last week, the sums raised for the NSPCC and a provisional total for the go Green for Grenfell day are printed below.

I spent most of Saturday last week over in Latimer Road. St Francis of Assisi Catholic primary school looked lonely without its children. It is one of the nearest schools to the tower. The atmosphere was peaceful and good natured. Pastors, imams and priests all working hard to maintain harmony. Few agitators but mostly a really shocked community trying to come to terms with such awful loss. First time you see it up close is unforgettable and eerie. R.I.P
