OLI: To explore the journey through a year

Think about the celebrations during the Christmas holiday. What events marked this time? What customs does each family have for Christmas and the New Year?

Think about the whole year, the school terms and the events at school and in the family. Note Bank Holidays (holidays for all), family birthdays, family holidays, seasons and special days e.g. Mother's Day, Father's Day, Valentine's Day, Bonfire Night and how these are celebrated.

Key Questions:

- Q What are the highlights of your year?
- Q Who is with you on the journey through the year?
- Q What makes it good?
- Q Are there any difficult times in the year?
- Q What helps you?
- Q If you were going on an actual journey, who would you like as a companion? How would you travel? What would you take with you? What would be your reasons for these choices?

Activity:

Fill out the calendar below with special events that happen during the year. You can use words and pictures. You can do this on the computer or print/draw out your own calendar to complete.

January

February

March

April

May

June

July

August

September

October

November

December
