

Dear parents: Great weekend and well done Lewis Hamilton awesome start to the British Grand Prix and nerves of steel. Wrote before knew his headteacher in Stevenage always determined and a true warrior yesterday with nerves of steel. As was young Morikawa in the Open and a new star in Smith for The Lions. **ANYWAY** enough of sporting Summer Sumer Party tomorrow 4.30pm - 7.30pm all welcome for an evening of celebration music, food and drink after 16 long months and all outdoors. If you would like to bring family and relatives then please do so. There is still massive anxiety out there so please be respectful of others and social distancing etc. Risk Assessment available. Face masks optional as it is outside. It is an entirely **VOLUNTARY** event. Now the big news 'because of Covid' we could not get our usual Temporary Events Notice to sell alcohol. never fear!! I make large sums every year from a variety of work done outside of school hours inspections, head teacher support and NAHT work. I recently received a large sum owing for over a year. I have never taken a pound coin for myself but when on inspections may book the luxury of a Premier Inn B and B. When the MPs expenses scandal broke I used to publish my expenses in the Newsletter. Almost zero expenses lately because of travel restrictions etc anyway I am using my Head's Fund to give everyone a cold beer (or two) Italian, Spanish or Thai beers. Or a free glass of Pimm's cocktail with fruit and mint etc. Free, zilch nada. It's been a tough 16 months and I was up the West End first time in ages buying a new tennis bag on Saturday and wandered around for hours. It felt amazing in the sun. Also found the best little authentic Chinese Street food grill .. see below. + No QR codes needed to come in or signing in as Mr and Mrs Kardashian (seen it) come along.

Summer Party - July 20th 4.30pm - 7.30pm

It's **VOLUNTARY** ... i.e. if you don't feel safe coming to it then fine no problem.

Lot's of food , sweets and drink stalls and fun stalls for children and we will have some music too. It's an outdoor Summer Party to welcome parents back into our school and try and rebuild a community. I have ordered card readers but also please bring that rare commodity cash and coins we are donating an iMac as top raffle prize. Weather looks fine so come if you wish, wear a mask if you wish, dress as a pirate if you wish, come in fancy dress if you .. it's supposed to be a bit of Summer fun and welcome back to you all.

Pics of the week: Scenes from Year 6 Graduation Day ... Lewis Hamilton winning at Silverstone - the beaming young American Morikawa + the best authentic Chinese Street Food grill in London 25 Lisle Street ask for the Chinese menu not the English one its amazing value too ... Chinese eat on the 2nd floor .. and welcome back Year 6 from School Journey ... driver had Hammers and flags tattooed on his arms and legs so they were always going to be safe

and finally Year 6 Graduation Day is always a special event so just off to see that not many schools you get free beers and Pimms at the end of the year so make the most of it once in a lifetime ... today is July 19th hopefully a slow return to normality ... a 39 year old friend had just lost his hugely successful online travel goods business lost everything as a result of this pandemic ... found dead by his lovely wife last week .. this pandemic has caused grief in so many ways particularly in the private sector, travel and hospitality ... we need to try and live our lives again... anyway please remember **VOLUNTARY** Summer Party 4.30pm tomorrow
