

	Monday	Tuesday	Wednesday	Thursday	Friday
	Morning Register 09:00 - 09:30				
English	Traditional Tales - This week we are writing recounts, starting with a Police report. Today we hear from the wolf who claims he has been wrongly accused of eating the Gingerbread Man. Listen to the wolf's version of events and then complete a police report following the police interview of the wolf. Do you think he meant to eat the Gingerbread Man or do you think it was an accident?	The Gingerbread Man. Writing a diary entry from the perspective of the Wolf. They say there are two sides to every story. Yesterday you heard the wolf's version of events. Today you are going to write a diary entry from the wolf. Watch the video and follow the instructions.	The Gingerbread Man -Writing a newspaper report. It is shocking news about the Gingerbread man, someone needs to write a report to go in the local newspaper. Use all the information you have gathered so far to write a full recount of the events they way you think they went. Follow the instructions on the video to help you.	The Gingerbread Man - Reading comprehension. Read the story and answer the comprehension questions. Remember to answer in full sentences. There are three different level difficulties so choose the one you feel is most appropriate.	SPAG: Suffixes (-er and -est) Watch the teaching video then complete the worksheet. Add -er and -est to the words. Be careful to follow the rules for words ending in 'y', 'e' and words ending with a single vowel and consonant. Spelling test This morning complete your spelling test. Ask an adult or older sibling at home to read your spellings out for you, let me know how you get on!
Reading	20 minutes daily reading. Don't forget to keep reading daily. If you are short on books at home, you can find some books online via the Oxford Owl website. They are free to access once you have signed up and are levelled. https://home.oxfordowl.co.uk/reading/free-ebooks/				
Maths	Money - Counting money (notes and coins)	Money - Selecting money	Money - Making the same amount.	Money - Comparing money	Mental Maths - Spring 3
Lunch Break					
RE	Lesson 1 - An introduction to the Bible. Watch the teaching video and then have a go at designing your own front cover for the bible. When you have finished, write a summary describing what you can find in the bible. This will be like the blurb that you find on the back cover of a book.		The four Gospels - find out about the four Gospels found in the Bible. In the Gospel of John, Jesus says: 'Love one another. I love each one of you' and 'You are my friends'. Choose one of these saying and describe how it can be lived out at home, in school and in the Parish.		Retelling a Gospel story. Choose one of the stories from the four Gospels to read before having a go at retelling it in your own words. Remember to say which Gospel your chosen story has come from.

Science		<p>Changing Shape - Experiment with how you can change the shape of everyday objects and materials found at home. You will be experimenting to see if you can squash, bend, twist or stretch the objects. Record your findings in the table then have a go at answering the extension questions.</p>		<p>How are materials made? Chose one of the three videos to watch and discover how bricks, glass or paper are made. Once you have watched the video, record the process involved in making your chosen material.</p>	<p>Golden Time - On a Friday we usually have Golden Time as a reward for working hard during the week. Linking with our science topic of materials, it might be nice to have a go at creating your own mixed media piece of art, using a range of materials.</p>
