

Week beginning 25th January 2021

Each day the children will have some activities for Phonics and Maths and then another area of learning. Remember this is a guidance and there are no expectations for you to complete all the work. You can see a more detailed list of each day's work below. See you at the live meetings 😊

Phonics: This week we will continue with Phase 3 of the Phonics programme. Please watch the video first and then complete the worksheet provided for the day. From this week on, we will introduce only two new sounds a week as they are all digraphs (two letters make one sound) and the children need more time to learn them. (New sounds are **ch** and **sh**. New tricky word is **we**)

Maths: The focus for this week is number 6,7,8 and one more/ one less. Please watch the video of the day first and then complete the task. You will find all the videos at the link below but I will also upload them daily on GC.
