OLI: To write your own message for Wilbur.

Charlotte has asked you for a word that she can weave into her web. The word must describe Wilbur. What words could you use to show Wilbur in a positive way? Imagine you are Charlotte. In the box below draw some radial lines and some orb lines and your word. Don't forget that the word must have double lines instead of single lines. Wilbur's life may depend on it. Please then explain why you would choose that word.
