

Our Early Years and KS1 winners are : Maggie, Raffy, Éabha, Luca B and Alice.

Raffy has been sharing and showing thoughtfulness towards others when playing with toys he particularly likes. Maggie has always shown her maturity when playing and she is extremely caring and helpful towards the children around her. Both children have been very thoughtful this week.

Luca B has listened to and been patient with the younger pupils, helping them if they are worried and playing with them to cheer them up. Éabha has been really kind to the younger children. She has helped them with their work, encouraged them to play and been gentle and reassuring. This has enabled them to have a happy, fun day! Both have shown tremendous kindness and have been very caring by looking after the Reception children in their bubble. They have taken extra care in making them happy, ensuring they always have a friend to play with.

Alice has designed a wonderful poster about all the different ways we can spread kindness in our everyday lives. She mentioned how important it is to look out for those who are feeling sad or need help and added some beautiful illustrations.

OLSJ Spread Kindness Challenge:

This week, the children drew pictures to show how they have supported others during lockdown. Thank you for sharing your acts of kindness :)

Our KS2 winners are: Charlotte, Jessica (Y4), Martina and Rodge:

Well done Charlotte on your lovely poster about how to spread kindness. We love your use of colour and attention to detail.

Olivia has given a very detailed explanation of the importance of kindness - very thoughtful and well written. Jessica has produced a lovely design, put a lot of effort into her work and she has given lots of examples of demonstrating kindness.

Well done to Rodge for helping your mum with cooking for the family - a lovely poster!
