

Question:

How do I know if the school is open during bad weather like the snow.

Answer:

Check the website first. I updated it at 5.00am this morning on the front page.

Call the school after 7.30am.

Check your phones as we send out a Group text to everyone around 7.30am with updates.

Check the Hackney Learning Trust website under Find a School. Has updates on all schools in Hackney.

e.g 16 schools closed March 1st 2018.
