

Year 4 Spring spelling test 1: Teacher's script

This test should take approximately 15 minutes to complete. Tell the children you are going to read out 20 sentences to them. Each sentence has a word missing on their answer sheet. Tell the children to listen carefully to the missing word and fill it in, making sure they spell it correctly. You will read the word, then the word within a sentence, then repeat the word a third time. Now read out each question to the children as below.
